Luminite Citronella Candles

Luminite color changing citronella candles with LED lights illuminate your outdoor space with a soothing display or color. With the strike of a match, the stress and cares of the world are replaced by feelings of tranquility and relaxation. As the colors of the spectrum slowly turn in a choreographed dance of dazzling brilliance the evening is yours to enjoy.

Made with citronella, the perfumed scent of the outdoors will bring you peace, and peace of mind that no uninvited guests disturb your day's end plans. Discover a new way to light up your night with Luminite!

Directions For Use

Remove all packaging before lighting. Place candle on heat resistant surface away from anything flammable. Container will be hot when candle is lit. Do not touch until cool. Keep wick trimmed to 1/4 inch or less at all times. Always extinguish flame before moving.

Storage & Disposal

Once candle is cool to touch, store indoors in a cool, dry place. Replace plastic lid to extend life of LED. Do not reuse container.

Warning

Burn within sight. Keep away from things that catch fire. Keep away from children.

Caution

FOR OUTDOOR USE ONLY. Do not use indoors or in enclosed areas such as garages, porches, or tents. Burn candles at your own risk. Keep burning candle within sight. Do not extinguish candle with water or expose to water. Keep out of reach of children and pets. Harmful if swallowed. Ignoring these warnings may lead to fire hazard, personal injury or broken glass.

Active ingredient inert or other

3% Citronella Oil and 97% Paraffin Wax.
