

## The Gold Standard of Recycled Rubber

- Easy installation for maintenance-free landscaping
- Stop weed growth that robs trees of nutrients and moisture
- Mow right over it for no more scattered mulch
- Made in the USA
- Available in 24" and 36" sizes
- Available in Brown and Red

## Rubberific Tree Ring

Give your tree beds a well-maintained look 365 days a year with a Rubberific Tree Ring. These 100% recycled rubber tree rings help to prevent erosion, compaction and fungal growth while conserving moisture. With a weed fabric on the bottom side, say goodbye to weeding around your trees for years to come.

---

### Installation Instructions:

1. If necessary, use a utility knife to cut the center hole of the tree ring approximately one inch in diameter larger than the trunk of the tree.
2. Place the tree ring around the base of the tree and remove any grass covered by the tree ring.
3. Remove approximately 1/2 inch of soil where the tree ring will be positioned.
4. Place the tree ring around the tree and if necessary use a landscape pin to secure the seam.
