

Burpee Eco-Friendly Natural & Organic Concentrated Seed Starting Brick

Burpee Eco-Friendly Natural & Organic Seed Starting Concentrated is a sustainable and renewable soil amendment made from coconut fiber. An ideal amendment for custom blend growing mixes for raised garden beds, container gardening and seed starting. This compressed brick expands to about 8 quarts in a few minutes just by adding water.

Great Gardens Start Here

- Expands to 8 quarts in 2 minutes
- Excellent soil alternative
- Made from renewable coconut coir
- 100% biodegradable mix
- OMRI listed for organic use

How To Use:

1

Place the concentrated brick in a bucket or container.

2

Add approximately 4 1/2 quarts of water and watch as the concentrated brick expands in 2 minutes.

3

Use as needed and store any unused seed starting formula in a sealed container. Add your favorite plant food as desired.
