

Tree Rings

MAINTENANCE - FREE

Give your tree beds a well-maintained look all year with GroundSmart Tree Rings. Made from 100% recycled rubber, these tree rings help to prevent erosion, compaction and fungal growth while conserving moisture. With weed fabric on the bottom side, say goodbye to weeding around your trees for years to come.

● ● ● Available in Black, Brown and Red.

Available in two sizes: 24" and 36" diameter

Installation Instructions

1. If necessary, use a utility knife to cut the center hole of the tree ring approximately one inch in diameter larger than the trunk of the tree. Always wear work gloves gloves and safety goggles when cutting materials.
2. Remove approximately 1/2 inch of soil where the tree ring will be positioned.
3. Place the tree ring around the tree and if necessary use a landscape pin to secure the seam.
